City of Redmond
PUBLIC WORKS DEPARTMENT

NE 85rd Street and 164th Ave NE Rechannelization Projects

Implementing Redmond's Transportation Master Plan

Open House
Thursday, March 30, 2006

COMMENT SHEET

Thank you for taking the time to attend this meeting! Your input is important.
The completed form may be left with us tonight or returned to the project manager:

Jeanne Justice, P.E.
City of Redmond Public Works   Fax to: (425) 556-2820
PO Box 97010, Mail Stop: 2NPW   Email to: jjustice@redmond.gov
Redmond, WA 98073-9710   Phone: (425) 556-2887

The primary goals of these projects are to:

- **Provide efficient use of existing street width:** provide for additional uses
- **Improve mobility:** allow for more efficient operations at intersections for all modes of travel
- **Improve safety:** increase safety for pedestrian crossings
- **Improve transportation choices**: create a better environment for alternate travel modes
- **Stimulate economic growth:** provide pedestrian supportive environment, loading zones, and on-street parking

During the meeting, please review the plans and other information prepared for the proposed changes (some sections of the roadway have multiple options), and then provide us with your comments.

Your Information:

Name: _____Phone No.: _____

_____

_____

About 50% of traffic at the Post Office is dropping of mail at the blue boxes. In an effort to reduce traffic at the site, we would like your input on alternative "drop box" locations. Please rank the following locations from 1 to 3 in terms of how willing you would be to use that location instead of the Post Office to drop off mail.

☐ QFC area at Redmond Way	☐ None
☐ QFC area at Bella Bottega (NE 90th)	☐ Other_____
☐ City Hall Senior Center	

Please provide any additional comments about the project here:
